

Genesis Global Contract Staffing

Contract staffing can often be the right solution for your organization. Contract employees can reduce long-term labor costs and hiring processes while also providing a specific level of knowledge and expertise needed for an initiative.

With our white-glove approach, we first work to understand the unique needs of your company and create a customized approach based on our integrated platform. Our reputation for finding the right employee for the job, for all company sizes [including the NFL KICKOFF](#), is backed by [more than 25 years of experience](#). Our Workforce Solutions team offers the market's finest IT, digital media, entertainment, legal, sales, creative and finance and accounting talent available.

EOR Services

Additionally, if you want to outsource your contract workforce management, Genesis Global offers [EOR services](#) that are an ideal solution for companies looking to optimize contingent and permanent workforces. We specialize in assisting various types of organizations, including large corporations, small- to mid-sized companies, startups, and partner companies. Genesis Global's comprehensive EOR service includes government compliance, tax filings, employee benefits management, and immediate hiring capabilities across all 50 states. We provide dedicated senior support in onboarding, employee relations, payroll administration, benefits administration and more.
